Foreword

"I will lift up mine eyes unto the hills from whence cometh my help."

Our school, nestled among the foothills in a beautiful mountain setting, has given us a close communion with nature; and our associations with our teachers and classmates have inspired us to be "men to match our mountains."

In the contents of our annual we are illustrating the opportunities our alma mater offers us as a testing ground for democratic principles, and the privileges we already have to serve our school and our community as good citizens.

We hope this annual will be a happy reminder of days and weeks and years spent together--a reminder of experiences that have served to lift our visions to the mountains of the intellect, of the spirit, and of nature.

A hand-drawn illustration of a scroll, likely representing a diploma or certificate. The scroll is unrolled, showing a central area with text. The ends of the scroll are rolled up into loops. The background around the scroll is filled with a dense, cross-hatched pattern, giving it a textured, artistic appearance. The scroll itself is outlined with a simple black line, and the text is centered within it.

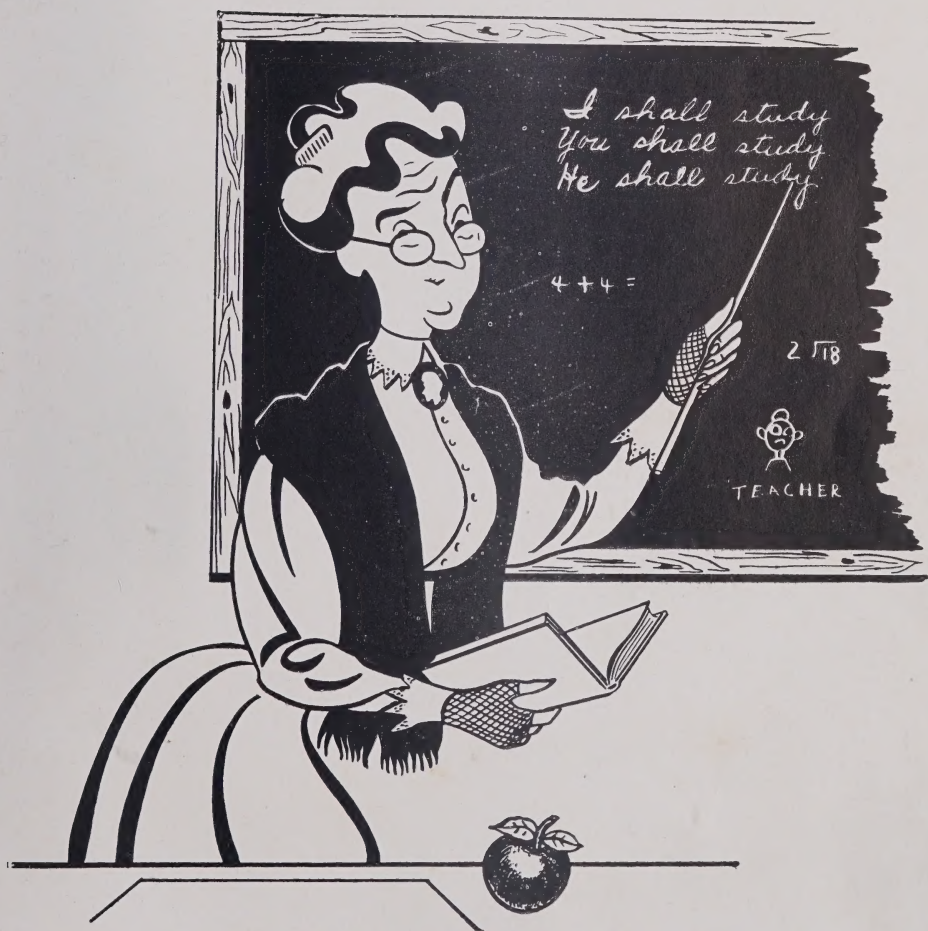

Dedication

We, the Senior Class of Cove Creek High School,
in sincere gratitude for their many sacrifices
and thoughtful services, do hereby dedicate this
the 1952 edition of the Coveteer to our parents
and teachers.
